

Capital District of Circle K International

2019 District Convention

DCON AD Request

Dear Friends of the Capital District of CKI,

The Capital District of Circle K International (CKI), would like to invite the community to partner with us on executing our annual District Convention that will energize college students to learn and better engage their campuses to serve their local communities. Circle K International is a premier international collegiate service organization. In the Capital District, CKI clubs hail from the region's top schools including the University of Virginia, William and Mary, The George Washington University, Johns Hopkins University and many more. This year's District Convention will take place February 22-24, 2019 at the Virginia Crossings Conference Center in Glen Allen, VA.

The Capital District of CKI, provides leadership education to its members which prepares them to become service leaders through their district events including District Convention, as its largest annual event. While students that attend pay a registration fee, this fee does not cover all the expenses to help execute this crucial event. Each year more than 100 attendees from around the Capital District will learn CKI basics, strengthen their leadership skills and hear about service project successes that can be implemented in their home club. Additionally, it's a great opportunity for members collaborate and to meet other CKI'ers from across the Capital District.

We are seeking your support to sponsor an ad to be featured in our convention App which hosts our schedule and all convention information. Attached is the Ad sponsorship form. Ads are available for \$75.

We hope you will consider partnering with us on what is to surely be an informative and exciting weekend for college students in the Capital District! Please reach out to us with any questions or for further information.

Thank you for your support,

Capital District Board of Circle K International
